

MUSTARD SEED FOOD PANTRY

The Mustard Seed at 93 Piedmont Street in Worcester serves dinner each weekday from 5:00pm to 6:30pm. It services the homeless and the food insecure population who would otherwise go hungry.

First Congregational Church of Shrewsbury has prepared meatloaf dinners with mashed potatoes, green bean casserole, and desserts on a rotating basis for decades. Our Church is very proud and appreciative of the volunteers who coordinate, shop, cook, deliver, and sometimes serve the meals that are prepared.

Our May Giving Opportunity is jars of peanut butter and boxes of cereal to help keep their food pantry stocked with essentials for the poor and homeless in Worcester.

Thank you, as always, for your support and generosity as we reach out to our community and beyond.
